

## **Faith @ Work**

Dear Friends of Faith @ Work...

Welcome to this new initiative in the workplace of periodic luncheons where you can bring your workmates who may be seeking God personally in their lives. We want to encourage, support and equip you as you 'make friends for Christ' where you work and live. In addition to the luncheons, we will be sending you, via email and/or hard copy, a series of pointers and resources to help you. We are attaching the first of this series, and we are eager to hear your comments and stories in return. Thank you for your heart for God and for the people He has put in your path. You are 'insiders'.

*"Life is a window of opportunity into an eternal existence. God is creating a people. He is gathering them from every corner of every nation to share eternally in His kingdom as members of His household. He has called us to partner with Him in this work and has already positioned us to do this. We are an insider to various relationships within which God intends that we glorify, or reveal, Him."*

*(The Insider – Jim Petersen & Mike Shamy, Navpress 2003, p. 143)*

In their excellent work, *The Insider*, Petersen and Shamy describe *Seven Life Patterns of an Insider*...

Taking Little Initiatives...

Praying and Responding...

Serving Others...

Conversing the Faith...

Partnering...

Letting the Scriptures Speak...

Mid-wifing New Birth...

In this series of pointers, we will flesh out for you each of these life patterns. God bless you richly as you love and serve the Lord and people around you.

Together with you, in Christ,

*The Faith @ Work Team*
